Attn: Michael Wilhelm, Deputy Chief
Public Safety and Critical Infrastructure Division
Wireless Telecommunications Bureau

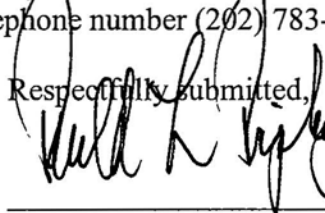

Re: *TTY Compliance*—CC Docket No. 94-102

Dear Ms. Dortch:

On June 10, 2004, the Wireless Telecommunications Bureau ("WTB") granted a temporary extension of time, until December 31, 2004, to Dobson Cellular Systems, Inc. ("Dobson") to bring the wireless system acquired from NOW Licenses, LLC ("NOW") into compliance with Section 20.18(c) of the Commission's rules for Text Telephone Devices ("TTY").¹ In accordance with terms of that grant, Dobson hereby notifies the Commission that, as of December 31, 2004, all necessary switches have been installed and tested and the acquired antenna sites have been upgraded so that the system acquired from NOW is fully compliant with the TTY requirements.

Should you have any questions regarding this matter, please contact Dobson's Washington, D.C. counsel, William R. Layton, at Wilkinson Barker Knauer, LLP, 2300 N Street, NW, Suite 700, Washington, DC, 20037 telephone number (202) 783-4141.

Respectfully submitted,

Ronald L. Ripley
Senior Vice President & General Counsel
Dobson Cellular Systems, Inc.
